

GoNow—Building Summer Programs to Accelerate Campus Impact

WHY WE SEND

- *Great God* who has commanded us (Matthew 28:18-20; Acts 1:8)
- *Great Opportunity* for Students
 - Leadership Development
 - Life-long Discipleship Training
 - Building Community/Family in & through the Local Church
 - Creating Momentum for life back on campus
- *Great Need* in our City, the Nation, and the Nations

WHAT WE DO

GO NOW Projects provide experiences that give vision, equip, and give real-life experience for students to be a life-long disciples who makes disciples to all nations in the context of the local church. Examples within Summit College include:

- **City Project.** Two-month discipleship and missional experience where students serve locally, nationally, and internationally. One week in NYC working with a national church plant; 6 weeks in Raleigh/Durham being trained in practical theology, disciple-making and community service; and 2 weeks serving alongside one of Summit's international church plants
- **Second City.** Two-month discipleship and missional experience in an international context serving alongside one of Summit's international church plants or partners
- **City Life.** Integrating gospel and work through a local or international marketplace internship
- **Two-Year Teams with Graduated Students.** Two Years of serving alongside of one of Summit's local, national or international church plants

HOW SUMMER PROJECTS IMPACT CAMPUS
